### III. Diversification and Fulfillment of Board of Directors:

#### A. Board of Directors Diversification Policy:

The Company has adopted the “Procedures for Election of Directors” and “Best Practice and Principle for Corporate Governance” and taken diversity into consideration in determining the composition of the board of directors. To implement the diversity of the board of directors of the Company, the directors of the Company are based on professionalism and dedication. As expressly provided for in Article 20 of the Company's “Corporate Governance Best-Practice Principles” (The overall capabilities required for the Board of Directors): The Board of Directors shall be organized in a diversified, comprehensive and multifaceted manner. The directors concurrently serving as the Company's managerial officers shall not exceed one-third of the total number of director seats. Besides, toward the board of directors’ operations, operating style and requirements in development, the Company should work out diversified, comprehensive and multifaceted policies which should include standards/criteria of the two major aspects below:

1. Basic conditions and values: Gender, age, nationality, and culture.
2. Professional knowledge and skills: Professional background (such as, law, accounting, industry, finance, marketing, or technology), professional skills, and industrial experience.

The members of the Board are disciplined with the kinds of knowledge, skills, and education necessary for their performance of professed duties. The Board shall be capable of performing the following for achieving the goal of corporate governance:

1. Operating judgment.
2. Accounting and financial analysis.
3. Management capability.
4. Crisis management capabilities.
5. Industry knowledge.
6. International market viewpoint.
7. Leadership capability.
8. Decision-making ability.

#### **B. Goals of Board of Directors and Their Fulfillment:**

In the current Board of Directors of the Company, the independent directors account for 43% of the total director seats, with 1 director in the ages within 71~80 range, with 1 directors in the ages within 61~70 range, with 2 directors in the ages within 51~60 range, 3 director in 31~40 age range. No member of the board of directors concurrently serves as an employee at present. Among directors, Director Wang Kuo-Chiang holds license of the internal auditor of the Republic of China, Director Chang Chih-Hsien is a licensed securities investment analyst, personnel of Taiwan Investment Consultation Co., Ltd., with license(s)/certificate(s) of Life Insurance Managerial Specialist in both Taiwan and the United States; Director Arthur Kuan holds the expertise in biotechnology, investment and business management. All members of the Board of Directors have been experts in finance and banking, commerce, management, mass media, biotechnology and securities investment fields, with proficient experiences and expertise to boost the diversified development of the Board of Directors.

The Company attaches great importance to the diversity of the composition of the Board of Directors and also to gender equality in the composition of the Board of Directors. Currently, there are 2 female directors among the 7 directors, accounting for 29%. Since 2025, the Financial Supervisory Commission(Taiwan) has set a target of 33% or more female directors. Our company is only 4% short of the target. In the future, we will gradually expand the talent pool of female directors and train female personnel to serve as senior executives in order to achieve the goal of gender equality in corporate governance.

The composition diversity of the Board of Directors is as follows:

Diversified core projects  Name of director	Industrial experience									Industrial experience			Professional skills									
	Gender,	Republic of China Nationality	With employee status	Age				Term of independent directors			Pharmaceutical biotechnology	Mass media	Technology	Securities	Accounting audit	Investment	Asset Management	Financial Accounting	Risk Management	operating strategy	Securities	Banking and insurance

## IV. Functional committee operation:

### A. Audit Committee Responsibilities:

The Audit Committee is responsible for assisting the board of directors in performing supervisory duties and exercising the powers stipulated in the Securities and Exchange Act, Company Law and other laws and regulations, and regularly communicates with the company's certified accountants and conducts audits on the independence of certified accountants. At the same time, the company's internal auditors will regularly submit audit reports to the Audit Committee in accordance with the annual audit plan. The Audit Committee also regularly supervises and evaluates the effective implementation of the internal control system. The main duties of this committee are as follows:

- (A) Supervise and audit the fair presentation of the company's financial statements
- (B) Supervise and evaluate the effective implementation of the internal control system
- (C) Supervise the company's compliance with legal norms

- (D) Review the transactions of the company's acquisition or disposal of assets, major capital loans, endorsement or guarantee for others, and matters involving the director's own interests
- (E) Raising, issuing or private placement of securities with equity nature
- (F) Appointment, dismissal or remuneration of certified accountants
- (G) Appointment and dismissal of financial, accounting or internal audit supervisors.

The committee is composed of all independent directors (at least one of whom should have accounting or financial expertise). The three independent directors all meet the professional qualifications, work experience, independence, and the number of concurrently serving as independent directors stipulated by the law, and regularly conduct internal performance evaluations of the audit committee every year.

#### **B. Remuneration Committee Responsibilities:**

The Remuneration Committee establishes a performance-linked remuneration system for the company from an independent and detached perspective, faithfully performs the functions and powers assigned by the board of directors, and regularly proposes remuneration system plans or suggestions to the board of directors for discussion and resolution. The main duties of this committee are as follows:

- (A) Formulate and regularly review the policies, systems, standards and structures for performance evaluation and salary of directors and managers.
- (B) Regularly assess and determine the remuneration of directors and managers.

The company's remuneration committee is currently composed of three independent directors. It meets at least twice a year, and can hold meetings at any time as needed to make recommendations to the board of directors for reference in its decision-making.
